Adoration

"The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this Sacrament of love. Let us not refuse the time to go meet Him in Adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our Adoration never cease." Catechism of the Catholic Church Paragraph 1380.

What to do in Adoration?

1. Pray the Psalms or the Liturgy of the Hours. Whether you are praising, giving thanks, asking for forgiveness or seeking an answer, you'll find an appropriate psalm. The ancient prayer of the Church, called the Liturgy of the Hours, presents an excellent way to pray through the book of Psalms throughout the year.

2. Recite the "Jesus Prayer." Say "Lord Jesus Christ, have mercy on me a sinner," repeatedly as you quiet your heart and mind.

What's the deal with Vatican II?

The **Second Vatican Council** (1960-1965) is probably the most debated event of recent Church history. Some blame it for the drop in Mass attendance, vocations, and the closing of parishes and schools. Others say it encourages acceptance of ideas that are strange or contrary to the Catholic Faith. Yet at the same time, major documents from Popes Paul VI, Saint John Paul II, Benedict XVI, and Francis look back to Vatican II for both inspiration and direction in a way that is vastly different from the way many people understood it. Many theologians (both clerical and lay) call the Council a true work of the Holy Spirit. So: What IS the deal with Vatican II?

On Tuesday, February 25th, we will take a look at what Vatican II actually said. We will look at some common issues that the Council discussed and see what the Council Fathers really said about the Faith, the Church, and the role of the clergy and the laity. We will also touch on some of the common perceptions of the Council and see if the Council really said what so many seem to think.
