Adoration

"The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this Sacrament of love. Let us not refuse the time to go meet Him in Adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our Adoration never cease." Catechism of the Catholic Church Paragraph 1380.

What to do in Adoration?

1. Pray the Psalms or the Liturgy of the Hours. Whether you are praising, giving thanks, asking for forgiveness or seeking an answer, you'll find an appropriate psalm. The ancient prayer of the Church, called the Liturgy of the Hours, presents an excellent way to pray through the book of Psalms throughout the year.

2. Recite the "Jesus Prayer." Say "Lord Jesus Christ, have mercy on me a sinner," repeatedly as you quiet your heart and mind.

Ten Most Dangerous Places to be a Christian Today

2,983 Christians were killed (8 deaths per day)

1. **North Korea** – Persons discovered to be Christians are sent to labor camps.
2. **Afghanistan** – It is illegal for a person to leave Islam.
3. **Somalia** – If Somalis are suspected of being converts, family members and clan leaders will harass, intimidate and even kill them.
4. **Libya** – Libyan Christians with a Muslim background face violent and intense pressure to renounce their faith from family and the community.
5. **Pakistan** – In general, Christians are regarded as second- class citizens.
6. **Eritrea** – Christians who aren't members of state-approved churches are considered agents of the West and a threat to the state.
7. **Sudan** – Extremists have attacked Christians, especially in the Nuba Mountain region. Thousands of Christians have been killed or displaced.
8. **Yemen** – Muslims who decide to follow Jesus could face the death penalty.
9. **Iran** – Christians are forbidden from sharing their faith with non-Christians, and it is illegal to produce Christian literature or hold church services
10. **India** – Converts to Christianity from Hindu backgrounds or tribal religions are often extremely persecuted by their family members and communities.

Four Frightening Trends:

1. **In the most populated countries on earth, Christians live in a surveillance state: In China (No. 23), where there are an estimated 97 million Christians, persecution against Christians has taken a technological turn.** A recent report cited by CNBC estimates there are approximately 415 million surveillance cameras in China, a number only expected to grow in coming years. China has also developed widespread facial recognition software and established laws requiring facial scans to purchase a phone. Taken together, these two technological advances mean the government can track individuals like never before.
2. Violent Islamic extremism is spiking in sub-Saharan Africa: Sub-Saharan Africa is increasingly under threat from Islamic extremist groups.
3. Militant Islam is spreading violence and fear in Southeast and South Asia: In Sri Lanka (No. 30, up from 46 in 2019) 250 people died and more than 500 were injured in attacks on Catholic and Protestant churches and hotels on Easter Sunday.
4. Christianity is on the verge of disappearing in Iraq and Syria: Almost nine years of civil war in Syria (No. 11) and years of conflict in Iraq (No. 15) continue to devastate Christian communities. In Iraq, there are now around 202,000 Christians, down from 1.5 million before 2003—an 87 percent reduction in one generation.
