Adoration

"The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this Sacrament of love. Let us not refuse the time to go meet Him in Adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our Adoration never cease." Catechism of the Catholic Church Paragraph 1380.

What to do in Adoration?

1. Pray the Psalms or the Liturgy of the Hours. Whether you are praising, giving thanks, asking for forgiveness or seeking an answer, you'll find an appropriate psalm. The ancient prayer of the Church, called the Liturgy of the Hours, presents an excellent way to pray through the book of Psalms throughout the year.
2. Recite the "Jesus Prayer." Say "Lord Jesus Christ, have mercy on me a sinner," repeatedly as you quiet your heart and mind.

Protect Viable Babies Postcard Campaign

Next weekend our parish will be signing three postcards to our 3 Representatives (our one NJ State Senator and two Assembly Members) to ask them to support legislation which would ban abortion past 20-weeks (5-months). Babies at this stage can survive outside the womb and thrive if given the proper medical care. If you would like to bring 3 labels with your name/address if you have them with you to Mass next weekend, that may save some time. If you would like to volunteer next weekend to help out with the campaign please call Laurie at (856) 767-0547.

Mercy Ministry is in need of Walmart and Shoprite gift cards, which our parish offers as needed to our parishioners who need food, hygiene items or other legitimate needs. .

PROTECT VIABLE BABIES

Did you know that in New Jersey, abortion is legal throughout all 9 months of pregnancy and that late term abortions are routinely destroying viable babies?

20-week baby in the womb

DID ALSO YOU KNOW?

-  The United States is one of only 7 countries in the world including China, North Korea and Vietnam, that allow elective abortions past 20-weeks (5-months).
-  Babies as young as 20-weeks (5-months) can survive and thrive with the proper medical treatment.
-  Babies can feel pain by 20 weeks or earlier.

These viable children in the womb deserve to be protected by the law in New Jersey!

The **New Jersey Catholic Conference of Bishops** has approved a statewide postcard campaign urging the State Senators and Assembly Members to support the NJ Pain-Capable Unborn Child Protection Act, A-1686/S-537. If passed this bill would protect babies in the womb at 20 weeks post fertilization (5 months and beyond). Current NJ state law allows for abortions up to 9 months.

On the weekend of October 5/6, we will have the opportunity to sign postcards which will be sent to our state legislators to advocate for changes to our state law. Along with educating our legislators, we need to raise awareness among our fellow citizens about the humanity of the baby in the womb. Consider sharing some of the facts listed above. We also need to show women and men that healing is possible for those who made decisions that they now regret. Visit Rachelsvineyard.org or call 877-HOPE-4 ME (877-467-3463) for more information.

God cares as deeply about the babies in the womb as He does you and me. Let's do our part to make sure they are welcome and protected. If you would like to assist with the postcard campaign on October 5/6, please contact Laurie at 856-767-0547.

REPORT SEXUAL ABUSE - An independent, toll-free number has been established by the Diocese of Camden to help callers report cases of sexual abuse by priests, deacons, religious, employees and/or volunteers. Calls are handled by a licensed clinical social worker. In accord with state law, cases of child sexual abuse are reported to the New Jersey Division of Child Protection & Permanency and Law Enforcement. For information or to inquire about counseling and
