Mental Illness Support

Counseling and help with mental illness, depression and suicidal thoughts are included in the support services offered by VITALity Catholic Healthcare Services.

Suicide is the 10th leading cause of death in the U.S., and about 45,000 Americans die by suicide each year, 7,000 more than recorded in a 2010 report.

Many of those who die by suicide have been suffering from some form of mental illness, including major depression, bipolar disorder and addictions. Don't isolate - seek help.

Please continue to attend Mass each week whether you are here or away on vacation, and please remember to keep your family at Christ the Redeemer in your prayers as we will keep you in ours. If you would like to find Mass times and locations for USA areas you will be visiting please see: www.Masstimes.org.

Adjust: To adapt or conform to new conditions. Have you, or has someone you know, recently had to adjust to any of these situations? A new job, a new baby, a new boss, a new house, a separation, a grown child moving back home, a seriously ill parent, a death, a best friend who has moved? Be caring and helpful to those around you who are having to make adjustments in their lives. You can make a difference and really help by encouraging them to talk to someone. Also, remember that our Stephen Ministers are trained and available for listening to & helping people as they face changes in their lives. If you would like to know more about Stephen Ministry contact the Parish Office.
