## Mental Illness Support

Counseling and help with mental illness, depression and suicidal thoughts are included in the support services offered by VITALity Catholic Healthcare Services.

Suicide is the 10th leading cause of death in the U.S., and about 45,000 Americans die by suicide each year, 7,000 more than recorded in a 2010 report.

Many of those who die by suicide have been suffering from some form of mental illness, including major depression, bipolar disorder and addictions. Don't isolate - seek help.

# Pastor's Page

**Dearest Brothers and Sisters,**

A year has passed since we were all shocked by the news that there would be a new pastor at Christ the Redeemer. A year in, I feel highly blessed and greatly privileged to serve my new parish family.

Much has happened. I've been sketching out for the archives a journal of the significant events over the past year—admittedly, too much of which was on the administrative front. **My goal for the coming year is to increase the pastoral footprint of the parish.** More about that in a moment.

First, I wish to express my deep gratitude for all the parish staff and volunteers that have made the year successful. We all had a lot to learn about each other. It has been a bit of an adventure for us all.

One of the biggest challenges this year—besides learning the ropes of running a parish with three worship sites spanning sixty square miles, has been staff changes. Hopefully, all our retirees are enjoying retirement.

At the same time, new office staff brings a new and exciting dynamism to the parish. We now have two administrative assistants to handle a host of assigned duties. There's now only one receptionist/secretary to handle routine parish business, and our office volunteers are more fully engaged. Our new Maintenance, Buildings and Grounds Supervisor is doing a great job.

We also have new pastoral staff to head up some new pastoral initiatives. Our new youth ministers have already begun to establish a model of youth ministry that empowers youth discipleship leaders. Sixth graders are now welcome into the youth group. They're pondering a name for the group, too.

The biggest and most exciting development is that we've established a new Office of Evangelization and Discipleship. Ms. Laurie Power has been hired as Director. She and I have already brainstormed and scheduled an exciting pastoral program beginning in September.

**So enjoy the summer! Ready yourself for a new year of intense and intentional discipleship at Christ the Redeemer!**

**REPORT SEXUAL ABUSE** - An independent, toll-free number has been established by the Diocese of Camden to help callers report cases of sexual abuse by priests, deacons, religious, employees and/or volunteers. Calls are handled by a licensed clinical social worker. In accord with state law, cases of child sexual abuse are reported to the New Jersey Division of Child Protection & Permanency and Law Enforcement. For information or to inquire about counseling and support services, call 1-800-964-6588.
